

General Information

- 1) *En+Tech* is a 7-day forum, including one arrival day and one departure day.
- 2) There will be a total of 36 delegates, which are bachelors from Asia-Pacific region and SIIT.
- 3) There will be 3 tracks available for delegates to choose which are **Business and Economic Development, Natural Resources Utilisation, and Transport**. Each track comprises of 4 groups.
- 4) There will be 4 Case Study groups, each group comprises a group from each track, together they will incorporate to come up with the results of their group discussion consisting of the ideas from each aspect.
- 5) Each track's speaker/adviser will be one of the SIIT academic faculties.
- 6) In the Final Presentation, each group will discuss the results of their research. A number of guests will be invited, and SIIT students will be welcomed to attend.

Highlights

- 1) **Keynote Speech** The delegates are expected to learn two things from the speech: overall concepts of developing a city towards the goal of Zero-waste City; and how countries in the Asia-Pacific region should collaborate, in any way, to help each other achieving sustainable cities.
- 2) **Lectures** The delegates will have an opportunity to attend the lectures and discuss with three invited expert SIIT academic faculties in all of the tracks.
- 3) **Adviser Meetings** These sessions will enable the faculties to give some more insight information that will help the delegates working on their discussions and presentation more effectively.
- 4) **Company/Facility Visits** Besides of theoretical knowledge that the delegates will learn from the speech and lectures, the success of *En+Tech* will be further enhanced through the visits where the delegates will also see and learn practical knowledge of sustainable practices adopted by leading corporates in sustainable management and development.
- 5) **Cultural Trip** The purposes of this forum do not concern only about sharing of knowledge and experience, but also learning and understanding of people from different cultures and backgrounds, and the trip will allow *En+Tech* to achieve that purpose.

Application Procedures

Choose one track of your interest and submit the application form to entech.siit@gmail.com within **28 February 2018**. Applicants will be contacted later on regarding the result of their application.

Please note that each track has limited availability, if you are not offered the first track of your choice, you will be evaluated for your second choice, and so on.

WHAT IS EN+TECH?

“Engineering + Technological Leaders Forum (En+Tech)” is an international forum intended to give the opportunity to delegates across Asia Pacific to discuss and share their experiences on a particular topic with peers from different cultures and backgrounds.

TARGETED DELEGATES

Bachelor's students from any fields of study as long as the delegate demonstrate suitable qualifications.

28 MARCH – 3 APRIL 2018

ENGINEERING + TECHNOLOGICAL LEADERS FORUM

THEME & TRACKS

Sustainable City Development:
“Zero-waste City”

BUSINESS AND ECONOMIC DEVELOPMENT

This track explores how business and economic sectors as a whole should be developed so that they do not only increase their profitability but also support their surrounding environments to the goal of Zero-waste City.

TRANSPORT

This track relates to how transport system should be developed so that it could help sustain both mobility and ecological balance of the area.

NATURAL RESOURCES UTILISATION

This track concerns about how humans can sustainably utilise natural resources without exacerbating the resources depletion situation nowadays.

ABOUT SIIT

Sirindhorn International Institute of Technology

We offer undergraduate and graduate programs (master and doctoral levels) leading to the Bachelor of Engineering (B.Eng.), Bachelor of Science (B.Sc.), Master of Engineering (M.Eng.), Master of Science (M.Sc.), and Doctor of Philosophy (Ph.D.).

OUR VISION

“To be a leading international institute of technology for both teaching, learning and research ”

SELECTION PROCESS

Applicants have to submit the application form (as attached) **within 28 February 2018** to the review committee. A number of applicants are selected and will be contacted later on regarding the result of the applications.

Submitted to : entech.siit@gmail.com

TENTATIVE SCHEDULE

- Day 1 Airport pick-up/check-in/Welcome Dinner
- Day 2 Opening Ceremony/Universities Introduction/Introduction to Thai Language and Culture, Campus Tour/ Team Bonding Activity
- Day 3 Track: Lecture/Group Discussion
- Day 4 Company/Facility Visit
- Day 5 Cultural Trip
- Day 6 Final Revision/Final Rehearsal/Final Presentation + Closing Ceremony/Farewell Dinner
- Day 7 Check-out/Airport Drop-off

WHY JOIN US ?

Delegates will have the opportunity to attend lectures, workshops, and give final presentations regarding their discussion tracks. Moreover, a site visit to a well-known company in Thailand and experience a different culture through a cultural exchange session and joyful cultural trips in Thailand.
